

**BE HIP**

**Hopeful \* Independent \* Prosperous**

Our Affiliate program is like none other! Here are a few ways we are HIP that set us apart from the rest.

We are committed to high quality innovative beauty. Magnetic liner is just the start of many more innovative products that will distinguish tori belle cosmetics from other beauty brands.

Innovative products is just the beginning. We are also devoted to training and technology. Other companies know the value of influencer marketing, yet fall short when it comes to training and technology around building true influencers. At tori belle, we will teach you how to reach beyond your warm market and give you the tools to do so.

You will never be required to be on an auto ship to earn your Affiliate pay. We never ask our Affiliates to stock up on products or keep inventory.

We not only drop ship all orders shipped within the US for you, but we will do it for free! You read that correctly, we ship within the US for free when first class mail option is selected.

At tori belle, we offer one of the highest payouts in Affiliate commissions starting at 25% increasing to 40% each month depending on what you've sold. There is no minimum requirements to earn on your retail sales, which offers you flexibility and zero pressure to perform or meet quotas. It's up to you if you want this to be a side gig or fulltime hustle.

Our Affiliate program not only provides a way for you to be paid on your entire organization, but it pays at 100% on your teams retail sales. This is huge! We don't assign a discounted commissionable volume when paying team pay and bonuses. If you are being paid 8% on your first level that sold \$1000, your level bonus would be 8% of the \$1000. Almost all direct sale companies reduce the commissionable volume to 70% all the way down to 30% on some products. This means if it was reduced to 70% you would only be paid 8% on \$700, not the full \$1000. At tori belle, we believe in honest pay, and don't hide discounted commissionable values in the small print of our comp plan.

If you represent another direct sales company, no problem. You're welcome to be a tori belle Affiliate! You'll be free to sell for other direct sale companies. A true Influencer doesn't just promote a single product or brand. They create their niche in a category like beauty or health & wellness and they share what works for them with their followers. We'll teach you the correct way to create a loyal following.

By now you have probably guessed that we do not a traditional party plan company. We do not require our Affiliates to host or find host to "do" parties. We will be technology driven and give you the tools you need to skip the parties if that is not your thing. There is no host rewards program, but we do have a product credit program where our Affiliates, in addition to their cash commissions, can earn product credits to disperse products however they'd like. You can keep it for personal shopping, giveaways in your VIP groups, create your own host rewards if you want to hold events, or use the free products to send out to influencers for reviews that lead back to your replicated website. It's really up to you!
